

RE-OCCUPANCY PLAN ARE YOU READY TO REOPEN?

WHEN PREPARING YOUR FACILITY AND INTERIM OPERATIONS FOR YOUR DAY TO DAY RETURN WITH THE SERIOUS RESPONSIBILITY OF PROTECTING YOUR EMPLOYEES AND CUSTOMERS' HEALTH, IT IS IMPORTANT TO CONSIDER THE FOLLOWING:

1 Cleaning & Disinfecting

Prior to re-occupancy, and periodically thereafter, it may be necessary to clean and apply an EPA registered disinfectant to interior occupied spaces and furnishings.

2 Risk Management

Focus on breaking the chain of transmission by maintaining a healthy environment.

3 Certified Specialists

Use an IICRC Certified Firm trained firm to provide the right cleaning solutions, EPA registered disinfectants, equipment and supervision.

4 Reduce Downtime

Our cleaning services and application of an EPA Registered disinfectant at your facility will help reduce the risk of infection or illness, cross contamination and downtime in your business.
